Dear Director,

The Center for Street Children in Cagayan de Oro, Philippines - Gugma sa Kabataan, Inc is known in our community. It provides for our street children direct support. We appreciate their daily help for our poorest children. Gugma sa Kabataan supports the reintegration of the boys and girls with their families. It provides the school education, including the care of medical and psychological needs of the children.

Special focus is given to minor inmates in Lumbia City Jail with a full spectrum of support.

The leadership of Gugma sa Kabataan works with the children in the overall spirit of Christian education. In sum, Gugma sa Kabataan is an important element of the social support here in Cagayan.

In this context, I hope that Gugma sa Kabataan can continue its activities over the next years.

Sincerely,

+ *Antonio J. Ledesma*
